WHERE IS THE KINGDOM OF HEAVEN?

By D. T. Marches

(Reprinted *by request* from our first issue of April 1952)

How near is Heaven? Jesus said, "The Kingdom of Heaven is within you" and again He said "The Kingdom of God is at hand." Did the Master mean that these words spoken to the simple hearers of His day should be taken literally? Most certainly He did, for He was and is a Master of Truth and would not mislead the "seeking" people who followed and trusted in Him. He said another time "If it were not so, I would have told you."

The Apostle John says in His Gospel — "In Him (God) was life and the life was the light of men and the light shineth in darkness and the darkness comprehendeth it not."

How do we find this Kingdom and where and what is this Light that John refers to? In the heart of every man there is a secret, airless chamber within which dwells the Spark of Divinity. This tiny Spark is the Gift of Life, by which man lives, breathes and thinks. It is the motivating power of all his earthly activities, physical, mental and spiritual. It is a part of, and contains every potential quality of the Godhead. It is the Essence of Being and Its emanation is Light. It is three-fold in nature and is, in fact, the Father, Son and Holy Spirit in embryo. Where God's Presence is, His Kingdom is. The body of man is, therefore, the Temple of God and houses the Ark of the Covenant.

This is the "Secret Place of the Most High" mentioned in the Psalms and is what Jesus meant when He said "When you pray, enter your closet and shut the door and pray to your Father in secret." When one turns the attention toward this hidden Sanctuary and kneels in spirit before its Holy Altar, the feelings invoked by this inner desire release a spiritual force which fans the Spark of Life into a Flame. Its threefold nature representing the Love of the Father, the Will of the Son and the Power or Action of the Holy Spirit flow outward into the personality and world of the devotee, illumining the intellect and revealing God's Divine Plan for the individual and the planet.

Heaven then, is not a "place afar off." We carry God and His Kingdom around with us in our hearts. There is no peace, no happiness, no security outside of this Kingdom and it only awaits our recognition to make itself manifest. There is only One Father and One Only Begotten Son and that is the *Christ Nature* of every man. God is not the Father of the outer personality, that is a consciousness evolved and born out of fear and ignorance when the soul or ego separated itself in consciousness from the Father and started a creation of its own. The outer personality has neither love nor wisdom nor power which are the attributes of Godhead and it has not even the authority to control the imperfect world it creates.

ADDRESS BY BELOVED SAINT GERMAIN

Flourtown, Pa. July 4, 1958

BELOVED friends of Freedom, drawn here from every point on the Earth's surface because you are interested in My Cause and interested in the activity which I humbly endeavor now to manifest on this planet Earth, I bid you welcome, welcome from a Friend Who has loved you, does love you and shall love you until you are God victorious in your own magnificent Ascended Masters' Realms of light, free eternally from every passing limitation and knowing the fruit of the labor, that you have performed not only in this embodiment but in many other lives preceding this to bring Freedom to mankind. Not only political Freedom but Spiritual Freedom, freedom of the press, freedom of speech, freedom of the fears and superstitions of the dark ages and freedom from any manner of human concepts that all down through those dark ages mankind fears.

Beloved ones, you are those lifestreams who embodiment after embodiment, along all the seven lines of constructive endeavor pursued some course of research wherein greater freedom might be the benefaction for this Earth and its people and all life thereof. It is therefore, no happenstance that you join together among My Banner of Spiritual Freedom, and it is no happenstance that you have loved Me, have served with Me in this short life, for how close, how very close We have served together, loved together, enjoyed happinesses personally together, and in confidence have come through some stormy times together until we reach a safe shore.

We are like the artists

Now, in this new era and day, which the Hierarchy so kindly are assisting Me to establish upon this planet Earth, I can but express to you here assembled My personal gratitude for the constancy of your endeavor, for your patience one with the other, and for your capacity to understand

even a small bit, that you have seven types of mankind alone to deal with, and that the momentums of good which will form and are forming the activity which is the bridge of light of which Morya spoke come from the Causal Bodies of those developed life-streams along the seven rays.

If you were an artist and you had just begun to use oil paint, you would find your first endeavors would result in a mixture that perhaps would be not too satisfying to your self, and most assuredly not satisfying to others. Then as you developed dexterity you could find the blending of those colors on your palet and then upon the canvas, you would develop a dexterity which would be pleasing to yourself and a satisfaction to the rest. Now, this is exactly what We are doing from Our Realm. We are blending together the full gathered cosmic momentum of all the chelas' good energy for this world Cause.

The difference between the chelas and the oil pigment is the obedience of the pigment to the artist; but when you deal with living beings with free will you have perhaps a very nice combination, we shall say to form a group or a Sanctuary, or even a family unit, and then through circumstance of pressures internal or external some of the colors are mixed unpleasantly or deluded and there is again the opportunity, love's opportunity for Us to go into action with the Violet Flame and Ray and remove the cause and core as well as the record and memory of the temporary tangle, shall we say, of the energies of the earnest ones.

Conservation of energy

We on the seventh ray, Arcturus and Diana, beloved Lord Zadkiel and Holy Amethyst, Myself and the gracious Portia, that is in Our service, We never tire of it. We enjoy using more and more of the power of the Violet Fire to set mankind free. We do appreciate those rare instances where individuals themselves are alert to put into action what knowledge they already have in the invoking of the Violet Ray and the blazing forth of the transmuting Flame in order to conserve Our energies at a particular point or some local incident.

You see, order is heaven's first law. You all have known this for centuries of time, and conservation of energy is also one of the orders of heaven. Therefore, the more energy that We are required to utilize, to harmonize, to balance and purify trained chelas, the less energy is allowed for Us to develop and expand certain cosmic activities which will be for the benefaction of the human race. Therefore, to the chelas, dear, sincere and honest, I again ask that wheresoever you can, silently or audibly as conditions permit, where you see there is temporary discord or distress make the call with full feeling of the efficacy of this Violet Fire and allow it through you and through the conditions to act, then We have a funnel from the Ascended Masters' Realm through which any of the Members of the Seventh Ray can pour the assistance into the condition without having Ourselves to make a full descent into that person, place, condition or thing.

Thus, you have within your power, the most magnetizing activity in the universe. The Holy Christ Flame that is within your hearts, and that Holy Christ Flame which is your divine love can tie to any Divine Being, wheresoever They are in this universe, and if that love is intense enough it proceeds even from this universe to the one above. If it is not intense enough, there are Silent Watchers provided over your Sanctuaries, your homes and your countries to accept the prayer force or the invocative power that you individually and collectively send up. They CHARGE it with Their momentum and direct it on through the psychic and astral realm into the Ascended Masters' octave. Not only beloved Immaculata Who of course is the planetary Silent Watcher of this Earth, is constantly alerted to give assistance, but the lovely Silent Watchers of every planet, and that of the planet Earth are alert to give help and assistance, and of course your own Silent Watcher gives you the assistance too, when it is required.

Call to Hercules and Amazon

There are times in every chela's life when he or she is in a position where the energies and dynamic power is not available through the outer self. When that condition does so exist, call to the beloved Hercules and the beloved Amazon, call to the beloved Michael and beloved Faith, call to beloved Morya, call to any of These Divine Beings to give Their help and assistance to you and They will for you revitalize your lower bodies with that power that you require to keep on keeping on.

Ephemeral stock piles of energy like clouds that are whisped or fly before the winds are not the activities of the Sacred Fire of which We speak. We speak of energy that has been qualified and Charged for eaons of time by self conscious intelligent Beings and which is yours to use by merely sending up a thread of thought or a prayer from the heart without even using words if the occasion is important and you are not in a place you can make audible expression with discretion.

Now, beloved ones, if somebody told you here on Earth that they had placed as an endownment for you in one of the safest investment houses on the planet, a million dollars in cash, for you to use, all through your life, freely, as you wished to enjoy the pursuit of happiness and to have your freedom. Think and feel that release that would come to you those of you who temporarily have not that freedom. Now! that million dollars is as a piece of paper, which is all it is anyway, as against the cosmic stock pile of the Elohim, the Archangels, the Archaii, the Cherubim, the Seraphim, the Angelic Host, the Cosmic Beings, the Solar Logi, the World Teacher, the Hierarchs of the Retreats, the Mahasib and Ourselves, for where world wealth is changing in this day, and soon only those whose *light* burns bright will have the sustenance to sustain the masses.

The Light of God given to you

The Light of God which forms those stock piles of energies is *eternal,* knows no limitation and We give It to you without a lock and key or a pass book or a check book, We give It to you and asking you only to *use it;* because in using it LIFE imprisoned shall be free. That is the gift of all of heaven Sons to all peoples of Earth with self-conscious intelligence who can understand that already established for you; besides your own glorious Causal Body is this magnificent stock pile of energy, yours to use, within It every virtue, every God gift.

I am the Master of ceremonies and rituals, I am the Master that shall draw forth those magnificent ceremonies, in which I choose to incorporate Angelic Beings as well as selected chelas, in cooperative song and visualization and rituals, which I know will please your hearts; but first must come anchoring in the consciousness of the chela of the process of redemption which goes on now all over the Earth, all over the water element, all over the air element and into the fire element that has been through proximity to mischievous human beings, somewhat mischievious itself in it activity.

We are in a process now of redeeming this sweet Earth. Ah, this Earth, I love so well, this Earth that the Great Ones call Freedom's Holy Star. In this redemption you are so much a part, each in your individual force-fild holding the magnificent radiation that you have drawn, experimenting harmonizing your student body, and sending forth those songs, visualizations and decrees which are most pleasing to you and sometimes to your students.

The Angelic Choir

Until that hour comes when this full redemptive process is completed, the glorious ceremonies which are yet ephemeral in some of your minds cannot be drawn forth in their fulness and beauty; but they shall come beloved ones. There shall be a day when you shall hear an Angelic choir — Hosanna to God, when you will see a procession of the Angelic Host led by One of the magnificent Seraphim, holding aloft the living Flame of Freedom! visible to the sight of the elect and the select. God speed this DAY! I ask it.

Beloved and blessed ones, when Our Lord Maha Chohan opened the Ascended Masters' Retreats to you, He gave you such great opportunity to visit with the Hierarch and mingle with the Ascended Host who are there; and as the beloved Morya said, for those that are new and a little wobbly as to consecutive projected consciousness, We provide always safe Sponsors here, there and back again. So even in your etheric bodies if you are on going to sleep be wise enough to direct your attention towards the Ascended Masters Focus which is active during the thirty day period, you will be welcomed into the heart of the Retreat and you will absorb

and be permeated with the particular FEELING that is gathered there and you will return renewed in the morning, renewed in mind, recharged in feeling, revitalized in flesh. Oh yes, you say we worked so hard that we cannot contemplate the Ascended Masters' Retreats.

One minute of your attention

I stand dear hearts, with the inner sight, you can hide nothing and I just want to answer gently — it will take one minute of your time, after you have refreshed your bodies and laid down, one minute only, before you close your eyes to think of the Retreat which is open. Ask your Sponsor for the month to see that you go there safely. Do not be concerned if you don't stay there ten hours, dear hearts, five minutes in one of these Ascended Masters' Retreats does so much for you. Some of you are so earnest, so sincere and because you do not have a consecutive eight or ten hours sojourn without interruption without returning to the physical body, there is a sense of condemnation in you. I assure you if you will take one minute, and before going to sleep just ask your Sponsor to take you there, you will be there, you may not remember it in its fulness, but We never break a promise. A promise given by an Ascended Being is a bond that holds century after century.

When I promise you protection in the projection of your consciousness, I stand in God ready to fulfill it, even if I myself have to carry you to and from, and it is not the first time I have performed lovingly such a service. Some of you remember. It is a lot easier now, but when I wore a flesh form, carrying the chelas back and forth to our meeting place became a little arduous and yet I did that many a time when seven or eight of us were gathered together practicing the law of alchemy, and in those ages there was much superstition and consciousness of witch craft and darkness of mind. The chelas who were really interested in our activities were frightened to leave their homes. Many a time I have carried over My shoulder an interested chela who was cowering behind his own shutter, and then carried him home again and gave him usually bread and milk before I left.

NOW! isn't it a little easier for you. You don't at least have to carry bodily your chelas to and from the Sanctuary, I hope to God that day never comes; at least until this great axis is straightened and your spines become the spines of men and women of Freedom. Then, perchance, you can carry a heavier load. Then with God's good and holy help there will not be such a load to carry.

Polaris and Magnus

To the Cosmic Beings Polaris and Magnus I am eternally grateful. Have you thought what it has been for Them, to hold this Earth on that bent orbit, and to keep it from slipping. Think! of the LOVE of Those Two Beings and the great mercy as They slowly move it, and then cease

when there is too much strain. When the oceans begin to churn, when the Earth's surface crack when the chelas feel it, when elemental life feels it, in loving hands as you would hold a small infant Those two Great Beings Cradle this Earth, move it, stop it, move it, stop it. Beloved ones, this Earth is in the hands of magnificent powers of love, so be fearless. They are not going to jolt the Earth or any of the peoples on It so rapidly, that you would have too much fear. They are endeavoring to do it gradually according to the capacities of the chelas to be fearless.

You have initiations almost every twenty-four hours in the outer world and how fearless you are in the face of what you think are very ordinary and mundane circumstances. That is recorded by Those Divine Beings Who are watching the movement of the axis. When there is fear, whether it is fear of lack of health or supply or distress of somebody else or whatever it may be, when that is recorded in the book of life of a chela on whom We particularly are depending to hold the balance, then the cosmic record is read and the movement of the Earth slows down.

So I ask you to go into action in your groups and individually in yourselves, call to beloved Astrea or anyone Whom you like among the Ascended Host. We smile sometimes at the great love and great distaste that you have for various Members of the Hierarchy; but I think there should be among Us all somebody that you can love. Those Others that you can't love, you just don't understand. So if They bother you, as far as the outer self is concerned, keep away from invoking Them and Their power and pray until you get a better understanding. Even in the human octave that is the part of wisdom. You don't deliberately encounter individuals who are distressing to you, and you must learn the power of discretion to proceed to God maturity in this activity.

Call and I will answer

So, I recommend to you having looked you all over, kindly and as a Friend, recommend to you heartily that you choose an Ascended Master or Angel that has an affinity to your present consciousness. Now that consciousness is not always going to be as it is today, thank God! and I mean no offense, but each one's consciousness is expanding and Divine Beings, activities, the all-over picture shall we say, of the divine pattern and plan will not be disturbing so as the consciousness does expand and then you can be happy with a greater number of Cosmic Beings and Ascended Beings in your aura.

You see, the law of heaven is, call and I will answer you, knock and it shall be opened, seek and ye shall find. So if you continue to look for Hercules and Amazon you shall find Them; and if you are one of these very placid souls, and placidity is nice if it is not lethargic, you are going to find the tremendous pressure and power of Hercules and Amazon will shatter, shall we say, the placidity and charge you with a tremendous power.

Kuthumi or El Morya?

So if you like the serene way of life and the gentle gracious pathway up the hill from the plain with many resting places, call to Kuthumi, Confucius; but if you want to make that mount of attainment straight up the glacier side, you know Whom to call. I will tell you this, beloved Morya may be a strong and relentless Guru, and if you follow, you will make that mount in about three years as against maybe several embodiments; but don't take His hands unless you mean it, because once you take it He will never let you go. You know it and so do I.

In the radiation of the Ascended Host and while We are visiting with you and speaking with you all your energies are vitalized and you become very enthusiastic, but I warn you as a Friend, be careful, because you will be shot up the mountain, skinned knees and garments torn over every kind of obstacle, if the great Morya is your Guru and your guide. If you care to circle round and round you will get there too. You can listen like Kuthumi did so long ago to the birds in the fields and watch the flowers and rest in green pastures and take a step now and then when you get enough vitality.

That is your privilege as children of free will, give that privilege to each other. If somebody is going the long way and you choose to go the direct way, try to be tolerant. Because in the long run, although you will be there before, they will come straggling in and then of course you will have to have the great restraint not to say, hah, if you had come direct you would have been here long ago.

It takes all types of men and women to make this beautiful world, dear hearts. Those who do make the ascent quickly, I know are more or less impatient with those who like the easier pathway. It is, shall we say, opportunity, I try to keep that before the attention of the chelas instead of a sense of service or work, it is My opportunity to see that all get home, and to learn as the great Sanat Kumara did, that patience with every type.

It is your opportunity, remember that word now, every moment of every day you have love's opportunity to be tolerant and patient and representative of either a daughter or a son of Freedom wherever you move, to help them along on their own path. Do not intrude upon their free will. If you are advancing more rapidly keep it in your heart, for he who shares initiations before they are completed loses a full sixty per cent of the benefaction as you know. You have no need to speak of your *light*, you *are* your LIGHT, each and everyone of you passing before the Karmic Board, as you did last evening, were only a radiation of your aura and size of your Christ Flame.

The Ascended Masters Banquet

It is the same in this human appearance world, you have temporary names and personalities and positions in life, but in essence you are just your life and light, and your aura that you consciously create and externalize speaks so loud that your words to the discriminate cannot even be heard. To the indiscriminate yes, words are a powerful persuasion, but to the poised anchored lifestream with his attention upon his God, it is the light, the aura and the radiation, NOT the worded expression that is the indication of where such an one is on life's path.

Now beloved ones, I would like to say as you are about to participate in a magnificent banquet, prepared so lovingly in My Name and that of the beloved Portia and all Beings on the Seventh Ray, that I too shall participate in that with you. I would like you to remember that long ago I crossed an uncharted sea to find this land now called America. That celestial wind blew those sails and the great Lord Lanto was the energizing power that put wind in those sails when My men were all ready to turn back, to mutiny, they were filled with fear and distress; yet even though I and My privy council in the cabin of the boat of the Santa Maria knew that we were days over due and land was not in sight; yet did we hold our heads high while on deck, conveying courage, confidence and assurance to a mutinous crew, and praying with all the faith in our hearts for land and when the men would come for orders, I was unascended then, I would raise my head, not knowing in the outer, and just say to them, "Sail on and on and on", and then reluctantly but obediently they did so.

Now, you come from the Ascended Masters banquet, not only of this day but composed of all the addresses that have been given, your cups are filled to the brim with radiation and instruction, you will soon be returning in your own little boat, the celestial winds of heaven directing them and settling you in those spheres of influence which are your Sanctuaries, groups, homes and activities, and wheresoever you are, remember My words as I speak them this morning — CHELAS OF FREEDOM! sail on! and on and on to victory! Thank you and good morning.

CONFUCIUS

The New Hierarch of the Rocky Mountain Retreat
A Short Biography and a Few of His Sayings

On July 4th, 1958 after completing the ceremonies at the Rocky Mountain Retreat, welcoming the Karmic Board and, generally, officiating as Host to the Great White Brotherhood and Their unascended chelas, beloved Lanto, Hierarch of the Rocky Mountain Retreat for centuries of time, took the seven-pointed Golden Crown, which lay, in state, on a golden pillow before the Precipitation Flame, and lovingly placed It upon the Head of His Chosen and Qualified Successor, Confucius, Who was Lord Lanto's Disciple, even before His Ascension.

THE Beloved Confucius, known by his contemparies as "the Master K'ung" was born in 551 B.C. His birthplace was the village of Ch'ueh, in the state of Lu, whither the family had migrated from the dukedom of Sung, of which they were a branch of the ruling house. The lineage of Confucius may be traced to the sovereign Hang Ti, who reigned no less than 2,697 years B.C. His father, renowned as a soldier, was twice married. Confucius was the child by the second wife.

His own words trace the growth and development of his intellect and genius. "At fifteen" — he tells us — "my mind was bent on learning. At thirty I stood firm. At forty I was free from delusions. At fifty, I understood the laws of Providence. At sixty, my ears were attentive to the truth. At seventy I could follow the promptings of my heart without overstepping the mean".

R. Dimsdale Stocker tells us that Confucius married when but nineteen years old, and had one son and two daughters. When fifty years old, he entered political life, being appointed governor of Chung Tu. Having previously established a reputation as a teacher and moralist, Confucius rose still higher in public estimation, until at length he became a veritable idol in the eyes of the people.

This state of things, however, was destined to prove of but brief duration. He had to resign his position and began a period of exile and wandering from state to state. But his followers and disciples were able to testify that, even in the hour of adversity and defeat, the courage and serenity of the Master did not desert him. His passing on occurred in 479 B.C.

The following are a few of his well known sayings:

On the Superior Man

What the superior man seeks is in himself. What the mean man seeks is in others.

The superior man is quiet and calm, waiting for the appointment of Heaven, while the mean man walks in dangerous paths, looking for lucky occurrences.

In archery we have something like the way of the superior man. When the archer misses the center of the target, he turns around and looks for the cause of his failure in himself.

On Sincerity

To see what is right, and not to do it, is want of courage.

Make conscientiousness and sincerity your chief object.

Sincerity is the way to heaven. The requirement of sincerity belongs to man.

I do not see how a man without sincerity can be anything but good for nothing.

What is required in feeling is sincerity; in words, that they be susceptible of verification.

The superior man practices before he preaches.

On Virtue

Is virtue remote? I wish to be virtuous, and lo! virtue is at hand.

Virtue is not left to stand alone. He who practices it will have neighbors.

Genuine virtue rarely accompanies artful speech.

What needs no display is virtue.

Is he not a man of perfect virtue who feels no discomposure though men may take no note of him?

Miscellaneous Sayings

When you have faults, do not hesitate to abandon them.

He who expects much from himself and little from others, will prevent himself from being disliked.

The untruthful man is like a chariot without a yoke.

If you would avoid vexation, reprove yourself much and others little.

The wise have no doubts, the virtuous no sorrows, the brave no fears.

While you are not able to serve man, how can you serve the gods?

What do you do not like when done to yourself, do not to others.

When you are laboring for others, let it be with the same zeal as if it were for yourself.

If acts of goodness be not accumulated, they are insufficient to give their stamp to one's reputation. If acts of evil be not accumulated, they are not sufficient to destroy one's reputation.

Make happy those who are near, and those who are far will come.

The Homes and Retreats of The Masters of Wisdom

TEMPLE OF PURIFICATION BY VIOLET FIRE

(Etheric Temple over the Island of Cuba)

(October 15th, through November 14th, 1958)

THE Beloved Archangel Zadkiel, together with His Divine Complement, Holy Amethyst, have a glorious Temple in the Etheric Realms over the Island of Cuba. This Temple was once a physical temple on the landed surface of the Earth, at the time when the White Order still held the BALANCE for God's Divine Plan active through the Holy Christ Self of every individual, using the Earth as a temporary schoolroom, as well as the God-free Angels Who walked and talked with mankind, and the happy, cooperative elemental kingdom, which, under their Mighty Directors, served joyously to maintain, sustain and expand the Kingdom of Heaven on Earth for the blessings of all life in the Earth, on Its Surface and in Its atmosphere.

This Day is coming again, and quickly, as the Beloved Chohan of the Seventh Ray, The Ascended Master Saint Germain and His Divine Complement, Blessed Portia, RE-ESTABLISH the conscious, joyous and loving cooperation among these three kingdoms!

We, the Spiritual Hierarchy, are consolidating Our individual and collective energies and services to assist Our Beloved Ascended Master Saint Germain and His Divine Court to quickly make of this sweet Earth — Freedom's Holy Star.

The Day is already HERE when the Angelic Host, mankind and the elemental kingdom are destined by Cosmic Fiat to lovingly cooperate in this God Ordained Plan! We invite you, each dear and earnest chela, to assist Us in this Cosmic Hour!

The Beloved Archangel Zadkiel, like unto the Ascended Master Saint Germain, is a High Priest of the White Order, particularly endowed with the God-given Gift of training all sincere and worthy chelas in the

power of Invocation of God Virtues for the blessing and benediction of the Earth and Its attendant evolutions.

During this thirty-day period, while the beloved chelas have the opportunity of visiting Lord Zadkiel's Retreat, avail yourselves of the loving instruction which He and His God free Angels will impress upon the inner vehicles of all who will sincerely request Their Assistance.

Remember, beloved Ones, that while Lord Zadkiel's Temple was physically manifest on the surface of the Earth, the greatest battle between darkness and Light took place. Some individuals, secretly, aligned themselves with the black order, and FEW remained sincerely affiliated with the WHITE ORDER whose only service then, as now, is to sustain and expand God's Holy Will for the Earth and Her attendant evolutions. This malpractice caused the sinking of Atlantis and the *temporary* withdrawal of Lord Zadkiel and His Legions from the great privilege of personal contact through the outer consciousness with the Cosmic Beings, the Ascended Masters and the Angelic Host.

Many individuals, after so-called 'death', witnessing the devastation caused by their destructive use of free will, asked the Lords of Karma for an opportunity in succeeding lives to transmute the evils which they participated in invoking and which have plagued mankind and all imprisoned life from that time up to this present Cosmic Hour.

The Mercy of God, the "I Am" Presence is NOW giving ALL individuals opportunity to so participate in the redemption of these temporary evil expressions and to remove (at inner levels) the cause and core behind such manifestations.

Avail yourselves, beloved chelas, of THIS OPPORTUNITY! HELP US *NOW* in the RE-CREATION OF THE BEAUTIFUL PLANET EARTH, preparatory to the descent of the Lord of the Seventh Ray, Beloved Saint Germain and Blessed Portia! Lord Zadkiel and His Legions of Light will help you! Blessed Holy Amethyst has provided for you, each dear one, a Lady Sponsor charged in Herself with the full gathered Cosmic Momentum of the power and efficacy of the Violet Fire to, AT THIS TIME, make things right — not only personally but for the entire Planet and Its attendant evolutions! I KNOW you will avail yourselves of this Opportunity!

MONTHLY LETTER TO TRANSMISSION FLAME CLASS

October 18, 1958

BELOVED CHELAS OF MY HEART, SEEKING FREEDOM FROM DISTRESS AND LIMITATION OF EVERY DESCRIPTION

"I AM" blessing you for seeking such Freedom, not only for yourselves, but for all imprisoned life in the Earth, on Its Surface and in Its Atmosphere.

Address by Beloved Archangel Zadkiel

December 28, 1957

HAIL to thee, children of love and of light who have foresworn a happy existence in freer planes to serve a planet in distress! Great is your personal darsham gathered through your individual and collective sacrifice, particularly during a time when the planet Earth is going through a period of cosmic initiation and planetary crisis.

Little do you know from the outer how strong the ray directed through your own emotional, mental, etheric and physical vehicles, and those who are guardians, and how real it is. That Ray beloved ones, is concentrated, positively charged qualified life that can never be misqualified no matter what the antics of the human personality.

The Ray, which the Karmic Board took into cognizance before the guardians of the race were allowed embodiment, is an already fully gathered cosmic momentum of a quality, a virtue, a gift and a power that is as needed to sustain life on the Earth today as is the Sun and as is the very body of Virgo beneath your feet. That has nothing to do with the misqualified energy which is subject to the use of your free will and which still flows through your emotional, mental, etheric and physical vehicles.

Your Cosmic Ray

There is a part of the Master Ray from the heart of your own Individualized "I AM" PRESENCE which is energy which you have consciously generated, magnetized, qualified with some God virtue at inner levels on different planets, in different spheres in different universes sometimes. That Ray is the property, shall We say, of your Individualized "I AM" Presence and is directed into and through the lower strata, of which We have spoken, so long as you remain in embodiment here on Earth. That Cosmic Ray of your "I AM" Presence carries the particular gift which is part of the universal tapestry required in order to seal the Earth round in the magnificent Violet Fire and make of it Freedom's Holy Star, so that every man, woman and child born in the future, as well as those who survive through these present changes, may truly be born to the Royal Purple and wear it in dignity and honor.

So sometimes when you feel very insignificant, when you feel individually that your part in the God-plan is very small and would not be missed, remember please this Cosmic Ray directed from your Presence through the emotional, mental, etheric and physical substance of this Earth for a specific reason which is the nourishment of the souls of mankind as well as the nourishment of the elemental life that serves mankind,

and the nourishment of all the God-qualities that are required to manifest in time from the Holy Christ Selves of all who inhabit and are to inhabit the Earth. You hold that Ray within the Immortal Three-fold Flame within your heart just as if you held one end of a scepter in the hand and the other end was in the hand of a God Being. Only in this case that Master Ray, the upper end, is in your own Presence and keeps drawing from your Causal Body as the lower end is anchored in the Immortal Three-fold Flame within your physical heart.

We are, spiritually speaking, very interested in the evolution of the Earth and We are very interested in sustaining these particular Rays through the chosen few, usually the guardian spirits from other planets and other systems. We, wherever possible, encourage those blessed ones who are the anchorage of those particular Rays required to remain within their physical garments until this specific crisis is past.

The coming "draft"

When the beloved Polaris and Magnus have completed the task of straightening the axis of the Earth, when the individual and planetary strain of such a tremendous task is completed, some of the incoming children and some of those who already are in embodiment will have the opportunity of being "drafted" you might say, and to them can be transferred that Ray which you have guarded, guided, magnetized and radiated for a specific God purpose.

You have been told beloved ones, how even the Ascended Masters who take the obligation of holding the focus of the Ascended Masters in any Retreat, cannot leave that Retreat in honor until a successor has been found and is qualified to render the service through that Retreat.

This is equally true in regard to those individuals who have magnetized specific Cosmic Rays through their own physical vehicles to hold the balance for the Earth evolution. When there is raised up, and it is a very good call for you to make individually, when there is raised up another soul, developed emotionally, mentally, etherically and physically to a point where the Karmic Board Itself feels that through such an one the Ray that you have guarded may be sustained, such a cosmic transfer can take place. It is a mystic and little understood subject so far as the outer mind is concerned but it is very important to Us, just as important as it is to hold the Ascended Masters Retreats as focuses throughout the world and too, wherever We can to encourage the sustenance of the Sanctuary and group endeavor.

I, as you know, am the Teacher of the powers of Invocation, One of those Teachers at least. Most of you during your long and intricate course upon the planet Earth have more than once been My pupil. You have developed to a lesser or greater extent, of course, according to your understanding to magnetize life, and how to invoke the unseen powers which can be of blessing or of great distress, according to that to which you have tied your attention and your feelings.

Wrong Use Of Invocation

As I have described to you before, on Atlantis many, many very dear children of God have learned the power of invocation but then chose to use that power in order to invoke unseen influences which were not of benefit either to themselves or to the race as a whole. Even today in embodiment there are many good and sincere lifestreams who gathered that momentum of the power of invocation throughout many centuries of study, both in the physical body and at inner levels, but whose ultimate goal, shall We say, for which they direct their attention, is below the Ascended Masters level, and their motive for invocation plus their capacity to connect with the powers beyond the human veil, determine the type of manifestation that they will draw forth.

Some of these good people have invoked spirits of the departed, sincerely, honestly and faithfully, and have had a measure of success in connecting with those individuals, particularly before the "clean up" by the great Prince Michael in the astral or psychic realm. Many, many more unconsciously used the power of invocation to connect with mass entities of a discordant nature, such as war, pestilence, fear and any number of the negative activities that form the effluvia around the planet Earth. These individuals invoke those very activities upon the screen of life through their attention upon them, through thinking of them, through feeling violently about them and they manifest them as distresses to themselves and to other people. They are unconscious of the power of invoking *anything* or any one or any activity UPON WHICH THEIR ATTENTION DWELLS!

For instance, beloved ones, take the mass entity of fear; it has intelligence because it is God's life that has been misqualified, it has a name — fear! When you speak that name you draw the attention of that entity just as when you speak the name of Jesus the Christ, you draw the attention and the momentum of love and light which are the power of Jesus the Christ. Now this is more important than you will perhaps understand until you think it through. War has a name, pestilence has a name, and those names invoke the very manifestation of the conditions that are distressing. So if you can enable yourselves as priests and priestesses of the Order of Zadkiel, to remember that the NAME OF ANYTHING OR ANYONE is a part of the presence of that one and will as surely draw the attention of that one as though I were to speak any one of your names here this morning, those of you in this room, and you hearing that would turn and respond by the flowing of your energy forth toward Me as I speak.

Therefore, let Us endeavor in the invocation of the power of the Ascended Master Saint Germain and His new order to keep our invocations, our decrees, our visualizations, our songs and our activities connected with a POSITIVE virtue, quality or Divine Being and thus avoid unnecessarily tangling with the full gathered cosmic momentum of some discordantly

qualified mass entity *which answers your call!* It looks at you and immediately *begins to act.*

Beloved ones, this point of law I have longed to put before you for sometime, and this is an opportunity so to do. Call to any of the Divine Beings, the Ascended Beings, the Angels, All the Powers of Light and call to and call for Their virtues, gifts and powers and you shall have *them!* Call or think or speak or write about anything that is less than harmony, and you will draw that momentum of discordantly qualified energy toward you because it is intelligent, it knows the speaker and it is seeking an outlet and that outlet will naturally be *through the one* to whom the attention has been called.

Dissolution of the vampire activity

This is a part of another activity which We on the Seventh Ray are particularly concerned with, the dissolving of it, and that is the vampire activity of the mass humanly created entities. They live only on the life of individuals! Those individuals being fed constantly by the various media of expression, with the ideas of war and pestilence and distress, are really the subjects of the subtle vampire activity for their very life as they read upon it, think upon it and feel upon it, *flows back* into that entity and it blows up, beloved ones, growing strong on the life energy of the masses.

Therefore it is our endeavor, as you have been endeavoring in your capacity, so it is Our endeavor in Our capacity, to as quickly as possible place before the chelas first, the students and then the masses something that will uplift them through the mind, through the sight, through the hearing, through every medium of the senses rather than that which allows their life to pour out from them to increase the mass entity that lives on the fear and the various emotions engendered by unconscious and not always fully cognizant lifestreams.

Beloved ones, Life is so precious, Life is itself so precious as Lanto has said, and that Life is given through the Silver Cord to every human being in physical embodiment and is intended to express the beauty and the perfection of life; but that Life is stolen by every type of seen and unseen force for the magnifying of distresses. You know that even in your constant vigilance and guard to connect yourself with your own "I AM" Presence and Our Realm, how much of that essence of life leaks away from you and become part of the rip-tides of distress. You are the ones who have learned to a degree at least, through magnetization of power, of light, and through the use of your Tube of Light, you have learned at least to a degree how to prepare your life essence so that it may through you fulfill the divine plan.

Watch your invocations

Take measure of yourself, without condemnation. We do not condemn you, no Ascended Being or Cosmic Being or anyone Who lives in the Realm of Perfection condemns any unascended being for any error, even conscious mistakes, let alone unconscious ones. You can begin to take

a measure of *what you are invoking, what you are giving your life to*, and you will see how much more vitality, spiritually and physically, you will have as you do not let your Tube of Light be a sieve and your attention be easily distracted from the constructive manifestation and your energies flow through the vampire activities into these rip-tides of distress which leaves the physical vehicle exhausted.

The concentration of your energies, beloved ones, on the Ascended Hosts of Light and on the Divine Beings will raise the energies in your individual worlds and will vitalize all of your garments, even your flesh form, bringing it back again into a state of beauty and perfection if you do not let the river of your life flow forth hither and yon without channeling it. This I can tell you.

Those individuals who have in the past used the powers of invocation for unseen forces that are not constructive, particularly on Atlantis, *are in embodiment*, a great many of them again. They have learned that power of invocation, and let Me tell you beloved ones, they are using it to channel energy into the White Order just as they did when We had our beautiful temple in the vicinity of the Island of Cuba. More and more of the individuals who at first adhered to the White Order began to enjoy the phenomena created by those who wanted to increase a sense of power and personal glorification and financial support. The masses, interested in the phenomena which was of a temporary nature, did not adhere to the principles of *purity, selflessness and godliness* which are the absolute requirements of the true priesthood of the Order of Zadkiel.

Phenomena, not convincing

Now the masses as yet, were you to leave this room and go down into one of your large lecture halls in Philadelphia, would be much more interested in your precipitating from the invisible a lovely amethyst or a shower of roses than they would be in hearing My instruction or yours. The beloved Kuthumi, the beloved Master Morya through a special dispensation from the Cosmic Law, endeavored through interest to sustain the interest of the heart center of the Theosophical Society through allowing Madam Blavatsky the powers of precipitation for a time. Yet even with all that power which drew the vital prana from her life, beloved ones, and was a major cause of the illness of her later years, the curiosity seekers were not satisfied by any amount of phenomena that was produced and they sooner or later returned to an easier orbit.

Phenomena naturally comes with spiritual development as you go higher and higher in consciousness, that is the Ascended Master phenomena, the light which you see, the magnificent Violet Fire, sometimes the Face of One of the great Ascended Ones, true, but that is a result of application and a means of a conviction of a consciousness that is not merely seeking curiously for something new. So these individuals who produce so-called phenomena need the prayers and application of the remaining members of the White Order on the Earth for they are literally eating into their own etheric bodies and their vital prana which could be used for something much greater later than the floating ectoplasm and manifestations at seances in the outer physical world.

Beloved ones, your life has one purpose to fulfill — your divine plan here on Earth. Some of you dabled through the ages with black magic, some of you enjoyed the results and the harvest for the time being. But at inner levels when you came again before the Karmic Board and saw the results not only to yourself, your own soul growth but the result of the effluvia that such an incantation caused upon the planet Earth, you foreswore the use of that. Thank be to Almighty God and it is to you who have foresworn incantations of a lower order, that We look for re-establishment of the White Order on Earth again.

Quality versus Quantity

Numbers are not so important as the *quality* or spiritual nature of the individuals who are involved. Please remember that. There are people on this Earth today who still practice hexes and curses and blood-rites. Those things are all to be dis-continued according to the assistance of the Angels of the Violet Fire Temples AND according to the assistance of the White Order! by Those who are in embodiment and those who are to come into it as quickly as possible.

Be assured, as a Teacher Who has watched every guardian spirit, every Angel that took embodiment, and every human being that belongs to Earth's evolution, I shall make it My personal responsibility to stand with the Karmic Board and ask that those of the White Order who have proven beyond question of a doubt as to their spiritual integrity and sincerity, be given first opportunity to embody, and those who are already embodied be given every God-assistance of the Seventh Ray to dissolve every memory even, of imperfection of any kind!

We have come to the Christmas season of nineteen hundred and fifty-seven closing a year that has been particularly difficult in the outer sense of the experiences of the blessed chelas. We are entering into the year of nineteen hundred fifty-eight which, according to the great Prince of Our Legions, Archangel Michael, which is a year when the Angels are to be given a great deal more freedom in the lower atmosphere of Earth. These are not only the small Angels but They are the great powerful Seraphic and Cherubic Beings Whose energies are so potent that They can envelop an entire continent in balance, poise and peace.

1958 A year of promise

The Cosmic Highways have been opened from the hearts of Alpha and Omega down to this universe and Those Beings will make the year 1958 a joyous one in comparison to your individual and collective strug-

gle in 1957, this I can assure you!

Beloved Lord Michael Himself has asked for and secured the privilege of having His Retreat opened right after that of the Resurrection Temple in order to properly greet these Beings. You know Michael's Temple is tremendous in size — it has a great power of Faith and Protection around it as would naturally be present in the aura of the great Prince of the Heavenly Host. These great Devas and Seraphim will require such a tremendous Focus into which to come, for some of Them are as large as His entire Retreat — one Being! They are tremendous Beings of power and They represent not only the seven rays that you know of, but the *twelve rays* around the activity of the Sun above your own.

So beloved ones, although 1957 has seemed strenuous, We have been busy on the Seventh Ray dissolving and transmuting through the power of love and light all of your human creation belonging to your worlds, more than you shall ever know, and We shall continue to do so until you are wholly free. Please remember Me and all of the Heavenly Host, please accept My blessing for being willing to be a member of the White Order, which in itself is a strenuous task. Please think on the constructive structure of your decrees and fiats, so that nothing of a discordant nature can enter into your world.

You are dealing with power beyond the ken of human minds and it is a blessing that the veil of maya shuts from your physical sight much of that which you individually and collectively have volunteered to transmute. It is enough, the experiences that you have touched upon.

The vestment does not make the priest

Now let us joyously enter into the transmutation of all energy into light, the removal of that vampire activity through the attention of the masses, the calling forth of the White Order everywhere on the planet Earth, and let Me tell you, in this day it is not the *vestment* that makes the priest; in this day it is the heart, and spirit and soul and light which makes the *true priest or priestess* of Our Order.

Looking back in the days of Atlantis there were men and women there with garments woven in gold, encrusted in Our Holy Amethyst, engaged in such nefarious practices I would not place them before your human mind, and there were simple priests and priestess of the White Order in plain linen robes, but the outer mind loves the show but the soul of man, in his heart and spirit, knows the radiation and the feeling of truth.

This shall be a test unto you beloved ones — JUDGE NOT according to human appearances but judge by that listening Grace, by the essence that flows through those who say they represent Us. Even as in the days of your beloved Jesus, there are many who say and are yet to say that they come in Our Name, but all of their vestments, insignia and adornments should not cause any true individual searching upon the pathway of light, to be drawn by that phenomena when the essence radiating out through such an one is negative or repellant.

I will manifest before you

You are My Beloved Chelas, Children of the White Order come into enbodiment to serve your glorious Saint Germain and bring in this age of beauty, ceremony and perfection. I love you! I am fierce as Lord Michael Himself in DEFENDING TRUTH! God! Life! Light! And the souls of men! NEVER AGAIN in the Name of Almighty God shall the Order of Zadkiel come forth as a travesty!

When I stand one day, the result of your acceleration of your vehicles and manifest before you, you will be grateful that you have listened to Me this day and prepared in Grace for tomorrow!

In the Name of the great Arcturus Whom I love and serve, beloved Diana, in the Name of Our blessed Holy Amethyst, your glorious Ascended Master Saint Germain and Portia, beloved Kwan Yin and All the Beings and powers that serve the Seventh Ray, I bless you with the discerning mind and illumined understanding heart — a consciousness of Listening Grace, of a purity and childness of spirit and of infinite protection against that which appears on the surface to be true, but when you cut through that surface you find nothing but imperfection there.

So until We meet again, I Am your Lord Zadkiel.

ARCHANGEL ZADKIEL

★

BELOVED ZADKIEL

Beloved Zadkiel, Archangel of Power,
Transmute for us this very hour
Our thoughts and feelings of the past
Into Perfection that ever lasts.
Bring back our memory divine,
And all the powers that once were mine.
Zadkiel, we love Thee, bless and adore,
Zadkiel, come forth to us once more!

I have come forth to you again,
To show you how to help all men,
My Temple bright shall raise all higher,
Transmuting Dross by Violet Fire.
Priestess and Priest, I call thee forth,
Draw forth thy power and save this Earth!
Blaze forth thy Light — set all Life free,
Blaze forth thy Love — I AM WITH THEE!
